

# St. Vincent Elementary Dads' Club

Established 2008

## Mission:

The St. Vincent Elementary Dads' Club promotes community among all men of the St. Vincent Elementary School and St. Vincent High School.

## Objectives:

- I. To create a community meeting for the men of St. Vincent schools to socialize in an informal setting to exchange ideas and promote our schools.
- II. To welcome fathers of the new students to the elementary and high schools.
- III. To support our schools through fellowship.

The St. Vincent Dads' Club will host five mens' night dinners during the 2009-2010 school year. Dinners will be at St. Vincent Parish Hall on the 2<sup>nd</sup> floor and are a great way to meet other fathers, share stories and enjoy dinner. All events begin by 5.45pm for set up and cooking, 6:30 or sooner for mixer and dinner by 7pm. Beer, water and soda included with the dinner. Bring your favorite bottle of wine to share and we will provide the fine plastic cups.
