

May 1, 2012

Dear Able Academics Parents,

May is here! We made it! It has definitely been another wonderful year at Able. Thank you all for your support this year. Please let me know as soon as possible if your children will need the program on the last day of school June 1st. If there is enough demand we will have our final party on the 1st, if not, the festivities will be held on Thursday, the 31st. On Friday, May 11th we will hold an ice-cream social. We will provide the ice cream and we would appreciate it if the kids would provide the toppings to share. Toppings can be sprinkles, cereal or shelf-stable sauces (chocolate or caramel), anything that can hang out in their backpack during the school day. It should be a delightfully scrumptious day!

We have begun our final enrichment which is the study of life cycles. So far we have learned about frog, flower and pumpkin life cycles. Upcoming life cycles include ladybug, ant, worm and turtles. The kids have been intrigued and we have a mural that is growing with each cycle. We welcome you to check out its progression next time you pick up your children.

This month we will be waiving the registration/supply fee for new families. If you have any friends that might have an interest in the program please let them know. It's always fun to have new friends join us. Normal day fees will still apply.

May Fun Fridays are

5/4 Awesome Abilities and Cinco de Mayo party

5/11 Ice-cream social!

We'll provide the ice cream if the kids bring toppings.

5/15 (Tuesday) Ocean day

Movie: Finding Nemo!

5/18 Giants Friday!!

Wear orange and black accessories and we'll play kickball.

5/25 Spy day

5/31 or 6/1 Water activities!

Final celebration with water balloons and pizza.

Bring a towel and wear clothes and shoes that can get wet.

Wishing you all a marvelous May and sensational summer!

Luci, Anna, Karen, and Tim
