President Statement:

I want to take this opportunity to thank our outgoing Board Members; Kathy Miller, Denise Stave, Irene Borba, Mary Haller, Jeri Tidwell and Pam Saisi. Without your help this job and this organization would be so much more difficult and so much less an organization. Thank you from the bottom of my heart. I know I speak for Bob in saying this.

Welcome to our new incoming board members; Meaveen Meyer, Adrienne Kulisingam, Tiki Martin, Maureen Highland, Hope Curry and Cathy Yarger. I wish you the best of luck in this new endeavor for you and feel that each one of you will bring a unique flavor to the board and do great things. I would also like to thank Reno Nalducci for coming back into the fold. Reno never really left but was unavailable due to some unavoidable issues. Since he was not able to participate in last years meeting he asked that I consider his re-appointment to the board. I have done that and expect him to be of great benefit to the organization.

This has been a great year for the PFO and again I want to thank all of you for your input and support.

Joan has taken on the coordination of the back to school functions at the beginning of the next session so please offer to help in any way you can. Thanks Joan!

Please don't forget, the SV Board sponsored a dinner at the auction in November which was generously purchased by the Chiappari family. It included an evening of croquet, horseshoes, and bocce with dinner for 10, served and prepared by the SV PFO Board. I will let you all know what date that will take place and what your assigned duties will be. **The date is now set at July 24, 2010.**

I do expect to be on schedule this month with the meeting time so please come prepared with any issues or new business to be discussed. Thanks and see you on the 17th.

Should you have an item that you would like addressed at a meeting please feel free to E-Mail me at gkubicka@hlmx.com so I can add that item to the next agenda.

Have a great summer, enjoy yourself, your family and your life. Time passes by much too quickly to not!
