

Scrip

Scrip is a fundraiser at St. Vincent de Paul Elementary School. Scrip, another word for “gift certificate”, is purchased by the school at approximately 5% less than face value and sold to the public at face value. Our monthly sales average is \$235,000.00, which represents an approximate monthly profit of \$12,000.00. As you can see, purchasing Scrip directly affects your tuition rate.

Your Scrip obligation of generating \$250.00 SCRIP revenue per year will be tabulated from **May 1, 2005** through **April 30, 2006**.

Scrip is conveniently sold at both schools from 8:00 a.m. until 3:15p.m.
